

Hokkaido University - National Central University Joint Symposium on Materials Chemistry and Physics 2017

November 27-28th, 2017

*Seminar room 2, Frontier Research in
Applied Sciences Building,
Faculty of Engineering, Hokkaido University*

Invited Speakers

Assoc. Prof. Cheng-Liang Liu

National Central University, Taiwan

Spray-coating technique for electronic and optoelectronic application

Prof. Akon Higuchi

National Central University, Taiwan

Bioengineering Aspect of Clinical Trials of Stem Cells

Program

Nov. 27th

9:30- 9:40 Opening remark

9:40-10:40 Invited Lecture by Assoc. Prof. Cheng-Liang Liu

10:40-12:10 Student Poster Presentation for HU students

12:10-13:30 Lunch

13:30-15:00 Student Poster Presentation for NCU students

15:30-16:30 Invited Lecture by Prof. Akon Higuchi

16:30-17:00 Closing

17:30-19:30 Banquet

Nov. 28th

10:00- Campus tour

Contact: Toshifumi Satoh E-mail: satoh@eng.hokudai.ac.jp

Organizers: Faculty of Engineering, Hokkaido University, and Graduate School of Chemical Sciences and Engineering (CSE), Hokkaido University

Co-organizer: Frontier Chemistry Center (FCC), Hokkaido University

Committee: Laboratory of Polymer Chemistry, Division of Applied Chemistry, Faculty of Engineering, Hokkaido University
