

International Symposium on Biopolymer Synthesis and Degradation

July 29, 2019

Centennial Hall, Hokkaido University, Sapporo, Japan

Organizer: Laboratory of Biosynthetic Chemistry,
Division of Applied Chemistry, Faculty of Engineering,
Hokkaido University

Cooperation: Japan Science and Technology Agency (JST): Advanced
Low Carbon Technology Research and Development Program (ALCA),
Hokkaido University Research and Education Center for Robust
Agriculture, Forestry and Fisheries Industry (Hokudai Robust), and
Frontier Chemistry Center (FCC) Hokkaido University

Organizing committee: Dr. Ken'ichiro Matsumoto (Chair),
Dr. Toshihiko Ooi and Dr. Chiaki Hori
