

2023 KBCS Summer Meeting

KBCS-Hokkaido University Joint Symposium on Biochip Technology

Date: 28 June 2023

Venue: Frontier Research in Applied Sciences Build. 2F

2023 KBCS-Hokkaido University Joint Symposium Program	
13:30~14:00	Registration
14:00~14:10	Opening ceremony Prof. Joon Myong Song (President of KBCS, Korea) Prof. Manabu Tokeshi (Hokkaido University, Japan)
14:10~14:30	MOU Agreement between CHEMINAS and Biochip Society President and Auditor (Prof. Manabu Tokeshi) of the CHEMINAS President (Prof. Joon Myong Song) and Secretary general (Prof. Prof. Donghwan Kim) of the KBCS
Session I	Advances in Biosensing Technology
Session Chairs	Prof. Manabu Tokeshi (Hokkaido University, Japan) Prof. Donghwan Kim (Sungkyunkwan University, Korea)
14:30~16:00	Speaker 1: Prof. Hye Jin Lee (Kyungpook National University, Korea) Speaker 2: Prof. Sou Ryuzaki (Hokkaido University, Japan) Speaker 3: Sooyeon Cho (Sungkyunkwan University, Korea)
16:00~16:10	Coffee Break
Session II	Recent Trends in the Development of Emerging Therapeutics
Session Chairs	Prof. Yoonhee Jin (Yonsei University) Prof. Masatoshi Maeki (Hokkaido University, Japan)
16:10~17:40	Speaker 4: Prof. Yong-Sang Ryu (Korea University, Korea) Speaker 5: Prof. Masatoshi Maeki (Hokkaido University, Japan) Speaker 6: Prof. Joo Hun Kang (UNIST, Korea)
17:40~18:00	Open discussion
18:00~	Closing ceremony
