

The 29th International SPACC Symposium

“Functional materials and complexes for a sustainable future”

September 5–6, 2024

Akira Suzuki Hall,
Frontier Research in Applied Sciences Building,
Faculty of Engineering, Hokkaido University
Sapporo, Japan

Organized by

The Society of Pure and Applied Coordination Chemistry
and
Hokkaido University

Co-organized by

Hokkaido Branch of The Society of Polymer Sciences, Japan
and
Frontier Chemistry Center, Hokkaido University

Supported by

SAKURA SCIENCE Exchange Program, JST

Contact: Prof. T. Satoh
